

Cancer Outcomes Conference 2012

The best cancer information service in the world?

DAY ONE – 14th JUNE

09:00 – 10:00	Conference registration Exhibition	Reception Palace Suite
----------------------	---	-----------------------------------

10:00 – 11:15	The evolution of national cancer intelligence	Kings Suite
----------------------	--	--------------------

10:00 – 10:05	Chair's welcome Ray Murphy, Chair, National Cancer Partnership Forum	
10:05 – 10:20	The evolution of the Network Chris Carrigan, Head, National Cancer Intelligence Network	
10:20 – 10:35	The vision for cancer data in England Dr Jem Rashbass, National Director for Registry Modernisation, National Cancer Intelligence Network	
10:35 – 10:50	Using data to change clinical practice Dr Mick Peake, Clinical Lead, National Cancer Intelligence Network	
10:50 – 11:05	Is data really benefiting patients? Ciarán Devane, Chief Executive, Macmillan Cancer Support	
11:05 – 11:15	Questions to the speakers and Chair's closing remarks	

11:15 – 11:30	Break (to move to parallel sessions, where refreshments will be available)	
----------------------	---	--

11:30 – 12:30	Parallel sessions	
----------------------	--------------------------	--

Session 1	Early diagnosis, screening and prevention	Kings Suite
------------------	--	--------------------

11:30 – 11:35	Chair's introduction Sara Hiom, Director of Information, Cancer Research UK	
11:35 – 11:50	Routes to Diagnosis – the importance of emergency presentations Dr Sean McPhail, National Cancer Intelligence Network	
11:50 – 12:05	Rapid monitoring of emergency presentations using Inpatient HES data Jon Shelton, National Cancer Intelligence Network	
12:05 – 12:20	Public Attitudes and Cancer Beliefs in Northern Ireland: a study of the International Cancer Benchmarking Partnership Dr Anna Gavin, N Ireland Cancer Registry, Queens University Belfast	
12:20 – 12:30	Questions to the speakers and Chair's closing remarks	

Session 2	Patient experience and reported outcomes	Library Suite
11:30 – 11:35	Chair's introduction Dr David Cromwell, Senior Lecturer, London School of Hygiene and Tropical Medicine	
11:35 – 11:50	Patient-reported outcomes of colorectal cancer surgery: a systematic review of outcome measures Robert Whistance, University of Bristol	
11:50 – 12:05	Variations in satisfaction with involvement in decisions about cancer treatment: analysis of the National Cancer Patient Experience Survey 2010 Dr Anas El Turabi, Cambridge Centre for Health Services Research	
12:05 – 12:20	Which outcomes are important to patients and surgeons? Core disclosure prior to oesophageal cancer surgery Natalie Blencowe, University of Bristol	
12:20 – 12:30	Questions to the speakers and Chair's closing remarks	
Session 3	Epidemiology	Pavilion Room
11:30 – 11:35	Chair's introduction Professor Henrik Møller, Professor of Cancer Epidemiology, Kings College London	
11:35 – 11:50	Second primary cancer risk after breast, colorectal and prostate cancers: results from long-term follow-up of cancer registry patients in Scotland Aishah Coyte, University of Glasgow	
11:50 – 12:05	Colorectal cancer risk in patients undergoing colonoscopic polypectomy: a large population-based study Dr Helen Coleman, Queen's University Belfast	
12:05 – 12:20	Enabling longitudinal follow up of cancer outcomes in the UK Biobank – a pilot linkage to the National Cancer Data Repository Rachael Brannan, National Cancer Intelligence Network	
12:20 – 12:30	Questions to the speakers and Chair's closing remarks	
Session 4	Cancer Audit	York Room
11:30 – 11:35	Chair's introduction Dr Mick Peake, Clinical Lead, National Cancer Intelligence Network	
11:35 – 11:50	Improvements in 1-year survival rates in lung cancer: a network's experience of undertaking a systematic review of information to inform cause and effect Dr She Lok, Mount Vernon Cancer Network Lung Site Specific Group	
11:50 – 12:05	On-line portal for the validation of BCCOM data: results from Year 1 Dr Catherine Lagord, West Midlands Cancer Intelligence Unit	
12:05 – 12:20	Lung cancer data in the National Cancer Data Repository, Hospital Episodes Statistics and National Lung Cancer Audit datasets: a comparison of case ascertainment and the recording of lung cancer histology and treatment Sharma Riaz, King's College London	
12:20 – 12:30	Questions to the speakers and Chair's closing remarks	

12:30 – 13:45	Lunch, exhibition and poster viewing	Palace Suite
13:45 – 15:00	Using clinical information to improve services and outcomes	Kings Suite
13:45 – 13:50	Chair's introduction Dr Mark Davies, Medical Director, NHS Information Centre	
13:50 – 14:10	Information to improve cancer screening services Professor Julietta Patnick CBE, Director, NHS Cancer Screening Programmes	
14:10 – 14:30	Information to improve clinical services Di Riley, Associate Director, Clinical Outcomes Programme, National Cancer Intelligence Network	
14:30 – 14:50	Information to improve public health Dr Gill Lawrence, Director, West Midlands Cancer Intelligence Unit	
14:50 – 15:00	Questions to the speakers and Chair's closing remarks	
15:00 – 15:15	Break (to move to parallel sessions, where refreshments will be available)	
15:15 – 16:15	Parallel sessions	
Session 1	Staging	Kings Suite
15:15 – 15:20	Chair's introduction Dr Brian Rous, Chair, National Staging Panel	
15:20 – 15:35	Measuring the quality of registry staging data Dr Sally Vernon, Eastern Cancer Registration and Information Centre	
15:35 – 15:50	An ontology-based System for Information Extraction, Reasoning and Cancer Registration from Pathology Reports Giulio Napolitano, N Ireland Cancer Registry, Queens University, Belfast	
15:50 – 16:05	Stage distribution and excess mortality rates in breast and colorectal cancer patients diagnosed in N. Ireland (NI) 1993-2007 Dr Finian Bannon, N Ireland Cancer Registry, Queens University, Belfast	
16:05 – 16:15	Questions to the speakers and Chair's closing remarks	
Session 2	Access to medicines	York Room
15:15 – 15:20	Chair's introduction Professor Jane Maher, Chief Medical Officer, Macmillan Cancer Support	
15:20 – 15:35	Real World Oncology Evidence and Value Based Pricing (VBP) – A unique opportunity for an integrated NHS solution? Gavin Lewis, Roche Products Limited	
15:35 – 15:50	Off Protocol Prescribing in Oncology and Haematology within NHS Tayside: an Audit of the NHS Tayside Oncology and Haematology Medicines Management Group Douglas Dorward, University of Dundee	
15:50 – 16:05	The Cancer Drugs Fund David Thomson, Lead Pharmacist, Yorkshire Cancer Network	
16:05 – 16:15	Questions to the speakers and Chair's closing remarks	

Session 3	Less common cancers	Library Suite
15:15 – 15:20	Chair's introduction Baroness Morgan of Drefelin, Honorary President, Cancer52 & Chief Executive, Breast Cancer Campaign	
15:20 – 15:35	Patients with Soft Tissue Sarcomas of the Limbs: who treats them? Matthew Francis, West Midlands Cancer Intelligence Unit	
15:35 – 15:50	Evaluation of a Cancer of Unknown Primary Service – the first two years Tania Tillett, Royal United Hospital	
15:50 – 16:05	Routes to Diagnosis for less common cancers Lucy Elliss-Brookes, ASWCS Cancer Network	
16:05 – 16:15	Questions to the speakers and Chair's closing remarks	
Session 4	Information for the Public	Pavilion Room
15:15 – 15:20	Chair's introduction Sara Hiom, Director of Information, Cancer Research UK	
15:20 – 15:35	Effect of the media on cervical cancer incidence: time-trend analysis of population based cancer registry data and individual screening histories Alejandra Castanon, Queen Mary University of London	
15:35 – 15:50	Evaluation of the NAEDI bowel screening pilot Dr Gina Radford, Consultant in Public Health, Anglia Cancer Network	
15:50 – 16:05	"Get involved for the best possible outcome": developing an information portal for brain tumour patients Ann Swift, Eastern Cancer Registration and Information Centre	
16:05 – 16:15	Questions to the speakers and Chair's closing remarks	
16:15 – 16:30	Break (to move to the plenary session)	
16:30 – 17:45	Supporting commissioning	Kings Suite
16:30 – 16:35	Chair's introduction Jane Whittome, Associate Director for Hospital Services, National Cancer Action Team	
16:35 – 16:55	Levers to support commissioning Anthony Gore, Primary Care Cancer Lead Clinician, NHS Sheffield	
16:55 – 17:15	The specialised commissioning view Mr Sean Duffy, Chair, Specialised Cancer Clinical Reference Group & Director / Medical Director, Yorkshire Cancer Network	
17:15 – 17:35	The cancer network view Roy McLachlan, Director, North of England Cancer Network	
17:35 – 17:45	Questions to the speakers and Chair's closing remarks	
19:30	Conference dinner and entertainment	Kings Suite

DAY TWO – 15th JUNE

07:30 – 08:45 **Breakfast, exhibition and poster viewing** **Palace Suite**

08:00 – 09:00 **Conference registration** **Reception**

08:00 – 08:45 **AGM of the UK Association of Cancer Registries** **York Room**

09:00 – 10:30 **Supporting research** **Kings Suite**

09:00 – 09:05 Chair's welcome
David Ardron, Lay member, National Cancer Intelligence Network Steering Group

09:05 – 09:25 Clinical Practice Research Datalink
Dr John Parkinson, Director, Clinical Practice Research Datalink

09:25 – 09:45 The Secure Anonymised Information Linkage (SAIL) system: challenges and opportunities in health data linkage
Dr Kerina Jones, Senior Research Fellow, Health Information Research Unit (HIRU)

09:45 – 10:05 Research opportunities in UK Biobank
Dr Cathie Sudlow, Chief Scientist, UK Biobank

10:05 – 10:15 Questions to the speakers and Chair's closing remarks

10:15 – 10:30 Presentation of poster prizes
Professor Sir Alex Markham, Chair, National Cancer Intelligence Network Steering Group

10:30 – 11:00 **Refreshments, exhibition and poster viewing** **Palace Suite**

11:00 – 12:00 **Parallel sessions**

Session 1 **Health economics** **Pavilion Room**

11:00 – 11:05 Chair's introduction
Dr Linda Sharp, Epidemiologist, National Cancer Registry, Ireland

11:05 – 11:20 A cost-benefit analysis of the National Training Programme in Laparoscopic Colorectal Surgery (Lapco)
Dr Melody Ni, Imperial College London

11:20 – 11:35 Costing cancer pathways: cost accumulation over time and variation as a function of survivorship and associated morbidities within a tumour-specific outcomes framework
Ashley Woolmore, Monitor Group

11:35 – 11:50 The economic impact of colorectal cancer: what are the costs and where do they fall?
Alan Ó Céilleachair, University College Cork

11:50 – 12:00 Questions to the speakers and Chair's closing remarks

Session 2	International focus	York Room
11:00 – 11:05	Chair's introduction Dr Jane Hanson, Lead Adviser for Cancer, Welsh Government Head of Cancer National Specialist Advisory Group Core Team	
11:05 – 11:20	Towards a European cancer information system – the EUROCOURSE project and beyond Dr Harry Comber, Director, Irish National Cancer Registry	
11:20 – 11:35	Cancer survival in Europe: first results from the EUROCARE-5 study Dr Roberta De Angelis, Senior Researcher, National Centre of Epidemiology, Italian National Institute of Health	
11:35 – 11:50	The International Cancer Benchmarking Partnership (ICBP) Dr Martine Bomb, ICPB Programme Manager, Cancer Research UK	
11:50 – 12:00	Questions to the speakers and Chair's closing remarks	
Session 3	Co-morbidity and risk adjustment	Library Suite
11:00 – 11:05	Chair's introduction Robin Crawford, Co-Chair, National Cancer Intelligence Network Co-morbidity Group	
11:05 – 11:20	The influence of birth weight and congenital malformations on survival from childhood lymphoid leukaemia in Great Britain, 1980-2007 Dr Anjali Shah, Childhood Cancer Research Group, London School of Hygiene and Tropical Medicine	
11:20 – 11:35	The effect of co-morbidity on stage-specific survival in resected non-small cell lung cancer patients Dr Margreet Lüchtenborg, King's College London, Thames Cancer Registry	
11:35 – 11:50	Factors predicting hospital length-of-stay after radical prostatectomy in Ireland: a population-based study Maria Kelly, National Cancer Registry, Ireland	
11:50 – 12:00	Questions to the speakers and Chair's closing remarks	
Session 4	Recurrence and late effects	Kings Suite
11:00 – 11:05	Chair's introduction Dr Adam Glaser, Clinical Lead, National Cancer Survivorship Initiative	
11:05 – 11:20	Hospitalisation and mortality experience of survivors of childhood, adolescent, and young adult cancer in Scotland: a population-based, retrospective cohort study Dr David Brewster, Scottish Cancer Registry	
11:20 – 11:35	Patterns of Recurrence and Associated Health Care Costs Dr Lucy Walkington, St. James's Institute of Oncology, Leeds	
11:35 – 11:50	National Recurrent and Metastatic Breast Cancer Pilot Dr Gill Lawrence, Director, West Midlands Cancer Intelligence Unit	
11:50 – 12:00	Questions to the speakers and Chair's closing remarks	

12:00 – 13:15	Lunch, exhibition and poster viewing	Palace Suite
13:15 – 14:15	Parallel sessions	
Session 1	Data visualisation	Kings Suite
13:15 – 13:20	Chair's introduction Dr David Brewster, Director, Scottish Cancer Registry	
13:20 – 13:35	Using data visualisation to engage the public and to communicate the messages to cancer research and control Alan Slater, Cancer Research UK	
13:35 – 13:50	What is a Kaplan-Meier Plot anyway? David Ardron, National Cancer Research Institute Consumer Liaison Group	
13:50 – 14:05	Insight Track – a new tool for visualising and following the patient pathway Sarah Stevens, Eastern Cancer Registration and Information Centre	
14:05 – 14:15	Questions to the speakers and Chair's closing remarks	
Session 2	Primary care	Pavilion Room
13:15 – 13:20	Chair's introduction Professor Una Macleod, Professor of Primary Care Medicine, Hull York Medical School	
13:20 – 13:35	The risk of childhood cancer with symptoms/signs presenting in primary care in the UK: a population-based case-control study Dr Mike Stevens, Bristol Royal Hospital for Children	
13:35 – 13:50	Relationship between measures of promptness of cancer diagnosis in primary care Gary Abel, University of Cambridge	
13:50 – 14:05	Association between patient and general practice characteristics and unplanned first-time admissions for cancer Dr Alex Bottle, Imperial College London	
14:05 – 14:15	Questions to the speakers and Chair's closing remarks	
Session 3	Equalities	Library Suite
13:15 – 13:20	Chair's introduction Joanne Rule, Co-chair, National Cancer Equality Initiative	
13:20 – 13:35	Relative importance of area versus individual socioeconomic indicators as determinants of cancer incidence: a longitudinal study in Scotland 1991-2006 Katharine Sharpe, National Services Scotland	
13:35 – 13:50	The influence of socioeconomic circumstances on survival after surgery for colorectal cancer Mr Raymond Oliphant, West of Scotland Cancer Surveillance Unit	
13:50 – 14:05	Addressing inequalities in lung cancer through a clinical communities approach Dr Ian Woolhouse, Royal College of Physicians	
14:05 – 14:15	Questions to the speakers and Chair's closing remarks	

Session 4	Ethics and consent	York Room
13:15 – 13:20	Chair's introduction Dr Mark Taylor, Deputy Chair, Ethics & Confidentiality Committee	
13:20 – 13:35	Protecting data Tariq Malik, Information Governance Lead, UK Association of Cancer Registries	
13:35 – 13:50	Whose data is it anyway? Jem Rashbass, National Director for Registry Modernisation, National Cancer Intelligence Network	
13:50 – 14:05	Discussion	
14:05 – 14:15	Questions to the speakers and Chair's closing remarks	
14:15 – 14:30	Break (to move to the plenary session)	
14:30 – 15:30	Future opportunities for national cancer intelligence The Brian Cottier session	Kings Suite
14:30 – 14:35	Chair's introduction Richard Stephens, Chair, National Cancer Research Institute Consumer Liaison Group	
14:35 – 14:55	Less is more! The way forward Simon Davies, Chair of Cancer 52 – representing 53 cancer charities that focus on rare and less common cancers	
14:55 – 15:15	National cancer intelligence: where now, where next? Professor Sir Mike Richards, National Cancer Director for England	
15:15 – 15:25	Questions to the speakers	
15:25 – 15:30	Chair's closing remarks	
15:30	Close of conference with refreshments upon departure	Library Suite
